PLEASE PROVIDE THE FOLLOWING INFORMATION
What ages of children will you accept?
 0-12 years 2-5 years 5 and older 13-18 years 0-18 years Other

SELECT DESIRED FACILITY TYPE
 HOME-BASED. This means care will be provided in a residential facility.
 CENTER-BASED. This means care will be provided in a non-residential facility.

DWS APPROVED, FFN
This is a Family, Friend, & Neighbor Approval to be eligible for child care payments from the DWS. Child care is in the home of the provider or in the home of the child(ren) and is for children of parents approved for child care subsidy from DWS. No more than four unrelated children can be in care, unless they all are siblings.

EXEMPT HOME
Care is in the home of the provider or in the home of the children and is not for DWS child care payments. A Family License or a Residential Certificate is not required or is not available but a registration is required.

LICENSED FAMILY
Licensed care is in the provider's home and the children have regular schedules or care. The maximum capacity is determined by the home's total square footage and may be for up to 16 children, unless restricted by the city. Two qualified caregivers are required when there are more than 8 children in care, or when there are more than 2 children younger than 2-years-old in care. With two caregivers, a licensed family provider can care for up to (but not more than) 4 children younger than 2-years-old.

RESIDENTIAL CERTIFICATE
Licensed care is in the provider's home and the children have regular schedules of care. The maximum capacity is determined by the home's total square footage and may be for up to 8 children, unless restricted by the city. The provider can care for up to 8 children, with no more than 2 children younger than the 2-years-old.

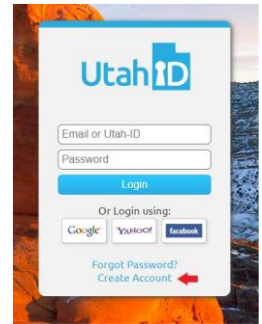

CERTIFICATION OF UNDERSTANDING
I understand that this document serves as the formal request upon which a decision to grant me an exempt status will be based.
I authorize investigation of all statements contained herein and understand that misrepresentation or omission of facts may result in denial of my application. I do hereby state that, based on my best information and belief, I am not required to be licensed because:
 I care for less than five non related children.
 I only care for related children.
 I provide care for less than four hours per day.
 I provide care for less than 30 calendar days.
 I provide care on a sporadic basis only.
 I provide care for no direct or indirect compensation.
 I care for children in the child's home.
 I'm on the Food Program and provide relative care or alternate care.
I understand that if there are any changes in the type of care I provide that will require a license, that I will submit a new application to Child Care Licensing to report those changes.
 I do hereby state that I understand the statements above and that the information provided on this application is true and correct to the best of my knowledge.
An Exemption is valid for one year.

If doing the LiveScan at a Care About Childcare Location or the Utah Department of Health, the Provider must print the Live Scan form emailed to them and Give it to the person doing the scanning. This will let them know that this is the for the Alternate Care Program and must be done with **B Code 2161**. Once you have done your fingerprints you will not need to do them again for renewal, unless someone turns 18 years in the household.

***Note** – If fingerprints are taken at another location there may or may not be an additional cost; and they must be sent by the technician to: CCL Background Checks – 866-320-0513. Tell them the reason for the fingerprints: NCPA/VCA

- 6- Complete the Provider Compliance Certification Form, sign, and return it to Helping Hands.**

****Hints:** -Please be sure to have an Email address set-up before starting the process.
-It’s very important to check your email frequently not only to obtain the login from Child Care Licensing but to also make sure that there are no issues with the background checks that need to be resolved.
